A person wearing a black t-shirt, blue jeans, and black sneakers is walking a yellow Labrador on a blue leash. The dog is standing on a wooden boardwalk, looking to the left. A wooden fence is on the left, and green foliage is in the background. A dark blue horizontal band with white text is overlaid on the image.

COLOUR

GUIDE

Orange

A playful colour, bringing about an energetic vibe.

Pink

Typically feminine, hinting at innocence.

Turquoise

Serene and calm, easing a stressful moment.

Yellow

Bright and friendly, grabbing our attention, making it the perfect warning colour.

Red

A bold colour, famous for inspiring feelings of passion.

Black

A popular colour, exuding sophistication and power.

Look out for the NEW Rogz Colour Wheel instore!

Classic Collar

Strong webbing with reflective stitching for safety. Now with improved buckle design so no need for Low Load Technology on our L, XL and XXL sizes.

Fred treats and massages gums

This treat ball has a versatile treat cavity. Designed with one large and one small opening, it can accommodate different sizes and types of treats. Manufactured with GMT - Gum Massaging Technology, the textured surface gently massages your dog's gums and cleans teeth while having fun.

Squeekz

Squeekz - the fun fetch ball for an active lifestyle!

This bounce and fetch ball keeps your dog entertained for hours. An internal squeaker, safely mounted inside the TPR shell walls, entices active engagement when squeezed. Great for outdoor play.

PASSIONS

Loving Beyond Business

PEOPLE

We cultivate a family environment in our business where children and dogs can visit, Roggerz who have birthdays get special cupcakes, adhoc staff braais and lunches where we mingle and share stories. It's about inspiring personal growth with interesting books, mentoring younger employees with wisdom from senior staff, but also listening to the youth for new and fresh ideas. Acknowledging hard work with staff awards, sponsoring events, and joining forces to support our community with charity events like Mandela Day. Celebrating a culture of caring.

Check out the
Rogz roovie

ACADEMY

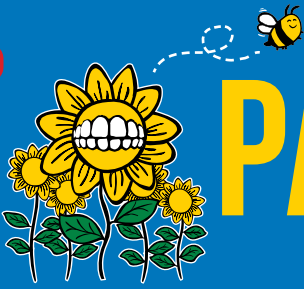

Check out the
Academy roovie

Education is a complex issue in Africa, but our company has contributed in many ways to help bring about a more positive outcome. We started with a leadership program via Partners for Possibility where we partnered with a local under-resourced school, Sophakama Primary in Dunoon, a local township near our factory. We have supported learners with numeracy and literacy skills, teachers with ongoing professional development and assisted in setting up a library and computer lab. Recently, thanks to the Western Cape Government and donations from generous distributors worldwide, we have initiated a youth programme preparing them for the work place by providing work experience with professional and self development skills. Their work experience supports four local under-resourced schools by running daily programs to boost literacy and numeracy. We support soup kitchens feeding hungry children trying to learn, and continue to support Simbulele's education. Rogz helps to bring hope to our children through sustainable, long term support.

*During the **Covid19 Lockdown crisis in 2020**, the Rogz Academy partnered with Boost Africa to help with their Food Relief Project in Cape Town, South Africa. Our Rogz Urban Farm harvested vegetables and donated to soup kitchens in our local vulnerable communities like Dunoon, Joe Slovo, Atlantis and Khayelitsha so that hungry people who had lost their jobs due to the pandemic could be helped. Various Roggerz and Distributors donated funds and helped the Rogz Academy with this Project. We also participated in breaking the World Record Mandela Day Sandwich-making Record! Our heartfelt thanks go to all of you who share our Passion to help those in need.*

PASSIONS

Loving Beyond Business

URBAN FARM

Check out the
Farm roovie

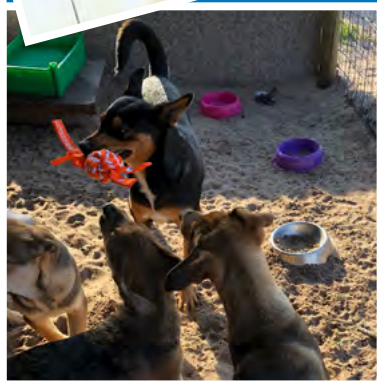

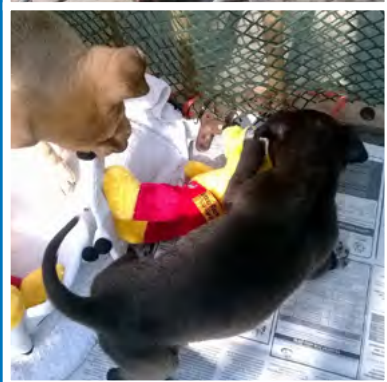

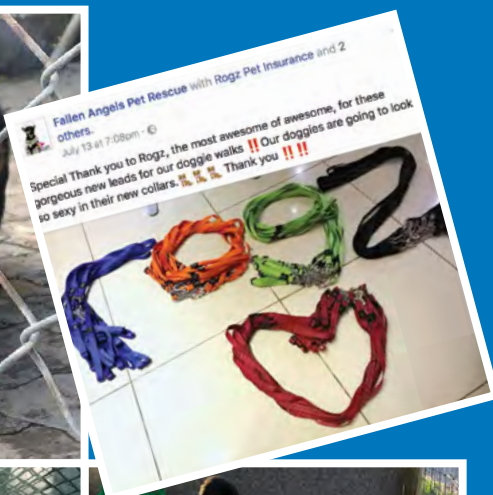

Our Rogz Urban Garden is always busy, whether it's our farmers replanting, harvesting and weeding, or it's the birds and the bees buzzing and flying around pollinating. Being surrounded by the vitality of vegetables growing on our pavements is a great way to create a unique factory environment in the middle of an urban area. We use our harvest to make healthy soup for our workers in winter, and crunchy organic salads in summer, and donate produce to local soup kitchens for vulnerable communities. A hard-working compost heap, borehole water and active re-cycling projects keep Roggerz grounded in their environment. The sprawling granadilla trees that climb up our building, the fruit bushes dripping with bright oranges and figs, the fresh green leaves of spinach and the bright sunflowers reaching for the sun, create an energizing space. It's a way of life!

PETS

Our caring pet brand regularly donates to various NPO's nationally - SPCA, Animal Anti-Cruelty League, Peoples Dispensary For Sick Animals, DARG, Tears, Fallen Angels and D.A.W. Our toys brighten the day of those that are left behind like Fluffy Grinz, making up for the gentle hand that would shower them with love. Our shop-soiled beds give cold dogs a cosy place to rest. Our old ID's make sure no furry child lands up being lost. And our Classic Collars replace old rusted chain collars often used in rural areas, with our Classic Leads replacing rope. Helping pets who are not yet in a loving "forever home".

WILDLIFE

Rogz strives to keep supporting charities that focus on Conservation Awareness through donating funds from sales of some of our products, donating products to K-9 units fighting rhino poaching and buying bracelets whose proceeds go towards The Endangered Wildlife Trust's Rhino Project. It is an ongoing issue in Africa and we will continue to help where we can.
